1	<p>How I View Pain and Suffering</p> <p>Instructions</p> <p>Jensen Huang, Nvidia CEO, once said to the Stanford graduates, “I wish you pain and suffering.” He believes that greatness develops not from intelligence, but from character. The ability to endure pain and suffering is the biggest predictor of success in life. How do you view pain and suffering in life? Share your life experience and your thoughts on it.</p>
2	<p>Welcome to Taoyuan</p> <p>Instructions</p> <p>Taoyuan City, with its literal meaning “peach garden” in Chinese, is commonly known as First Stop in Taiwan for foreign visitors. Suppose your school is prepared to welcome teachers and students from your partner school. How would you introduce Taoyuan to them and what are some of the attractions you would suggest? Share your thoughts with us.</p>
3	<p>My Favorite Type of Music</p> <p>Instructions</p> <p>People have always found music important in our lives, whether for enjoyment in listening or the emotional response. What is your favorite type of music? How does music influence your life? Share your thoughts with us.</p>
